AMENDMENT UNDER 37 C.F.R. §1.111

Hon. Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

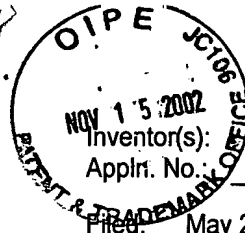

Sir:

In reply to the Office Action dated July 18, 2002, kindly enter the following amendment and remarks.

IN THE SPECIFICATION:

Page 14, please delete the full paragraph beginning on line 23 and replace with the following paragraph:

As shown in Fig. 4, when viewing image data, it is difficult to manipulate a set of push buttons 7 because the viewing unit 2 must be as close to the eye as possible. It is then preferable to use the operating stick 8. By using the operating stick 8 mounted on the side of the portable image display, operation can be carried out while viewing images through the viewing optical system.
